

Introduced by Senator Hollingsworth

January 13, 2006

An act to amend Section 165 of the Code of Civil Procedure, relating to courts.

LEGISLATIVE COUNSEL'S DIGEST

SB 1174, as introduced, Hollingsworth. Courts.

Existing law authorizes the justices of the Supreme Court and the courts of appeal to grant all orders and writs that are usually granted in the first instance upon an ex parte application, except as specified, and to hear applications to discharge those orders and writs.

This bill would make technical, nonsubstantive changes to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
